

**MATERIAL
SPECIFICATIONS**

Due to the proprietary nature of our fiber blends used in the makeup of our [PWF](#) line of fabrics, the Material Specifications sheet for this product is not available to the general public. Should you require specifications for this product, please contact us directly @ 734-455-7655.

We thank you for your understanding our our need to protect trade secrets from dissemination over the World Wide Web.

-Flo-Tec Management
